<https://loganhealth.webex.com/loganhealth/j.php?MTID=md238b0abe38fba35bea58762aaf72745>

Target audience:

Obstetricians, perinatologists, neonatologists, pediatricians, pediatric sub-specialists, ancillary healthcare providers, midwives, perinatal and pediatric nurses

Upon completion of this activity, attendees should be able to ...

- Discuss evidence-based practice that leads to excellence in perinatal and pediatric health care.
- List an application to current practice in the submitted post course evaluations all the time.
- Identify communication tools that enhance inter professional collaboration and partnership roles in the submitted post course evaluations all the time.
- Communicate care plans with patients evidenced by patient HCAHP scores above average.

None of the planners or presenters for this educational activity have relevant financial relationships to disclose with ineligible companies.

Criteria for successful completion include 70% attendance and completion of evaluation form.

Logan Health is approved as a provider of nursing continuing professional development by Montana Nurses Association, an accredited approver with distinction by the American Nurses Credentialing Center's Commission on Accreditation.

28.0 contact hours. 1 contact hour of continuing nursing education (CNE) credit for each session.

Logan Health is affiliated with University of Washington School of Medicine.

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Washington School of Medicine designates the live activity for maximum 28.0 *AMA PRA Category 1 Credits™*. Physicians should only claim commensurate with the extent of their participation in the activity.
